

"The Greenfield Elk" **ELKS CARE – ELKS SHARE**

Volume CIII- Issue 5 "FRATERNAL ORGANIZATION" May, 2017

Exalted Rulers Message;

I would like to start by thanking the officers and members of the Greenfield Elks for allowing me the honor of serving as E.R. for year 2017 – 2018. A Saturday evening installation was held and while the April 1st snowstorm kept several the planned visitors away, additional local members were able to fill in some of the vacant spaces. I hope all that did attend had a good time. The band played until midnight and a large crowd stayed to the end. Our lounge revenue for the day reflected a very good day for us. The 50/50 raffle and gift basket raffles netted a donation which exceeded the cost of the band.

Investing in the lodge and its members is my goal for the year. I look forward to hearing your suggestions and concerns.

I have taken over publishing the bulletin. Please forward all newsletter correspondence to csaharceski@gmail.com.

IN MEMORIAM

The faults of our Members we write upon the sand, their virtues upon the tablets of love and mercy.

The following is the prayer that was read at the dedication of the new barstools by Lodge Chaplain, Michele Kelleher.

Our Father in Heaven, be with us as we gather here to pay our tributes of affection to our departed members. Memory follows our departed members today as we pause for a moment. Make us realize that in an hour like this, nothing can take the place of outstretched hands of human understanding and the spoken tributes given by friends. May these moments together be filled with memories of mutual friends and loved ones, who walked this way with us, blessed us with their presence, and in their departing, left us saddened. But we are uplifted in spirit because of the many memories and the quality of their living and the times we shared together.

Amen

Building Bridges is a project of the Episcopal Diocese of Western Mass providing lunches to veterans. Their projected started in Northampton on Wednesdays, noon to 1:30 PM at the World War II club. Their first month had less than 20 vets being served. They now serve 50 to 60 vets per week at the Northampton site. They expanded the project into Holyoke on Thursdays and once a month sites are in Amherst, West Springfield and a future site of the Polish Club in South Deerfield. Their expansion goal led to looking for a site in Greenfield and they contacted the Greenfield Elks. After speaking with the leaders of the Episcopal Diocese it was decided to give this a try. Our Lodge provides the space and the use of the kitchen. The food comes from donation made to this project. There is no cost to the lodge. The donation of the lodge space count towards the Elks community service goals.

The Elks commitment to veterans can be traced back to World War I when the Elks established field hospitals in France. In 1918 the Elks built a 700 bed hospital to treat veterans. The Elks donated the hospital to the government to become the first VA hospital. A 2 million dollar endowment was established to help these vets cover the cost of vocational and educational training and to start business. Our lodge Veterans committee makes monthly trips, to the VA Hospital in Leeds, serving pizza, soda, fresh fruit and power bars. We also bring vets to the lodge for a casino once a year. Adding the Building Bridges Project appears to be a good fit with our commitment to veterans.

The project's associate director in Greenfield is Chad Wright. He is also the chief cook and pot washer. His good cooking has seen the Greenfield lunches grow to 40 to 50 vets in just two months. His work with the Greenfield Elks inspired him to join our lodge in April. Some of the vets that have showed up for the meals were also inspired to become lodge members.

Some of the vets that come to the lodge on Thursday for the meal represent other organizations. Tim Ranney-Blake is from Vet to Vet Recovery Project, a support group / peer led. Scott Vetterling, John McAvey or Tom Salter from Disable American Veterans Chapter 33 have attended the meal. Another group provides furniture and other household supplies to vets setting up an apartment. This group has distributed blankets, socks and other items at our lodge. Gary Howe the Veterans Employment Representative at the Franklin Hampshire Career Center is at the meals to assist vets with questions. The V.F.W. also is present at the meals. The number of Elk vets has continued to grow, please join us on Thursdays noon to 1:30.
